Professional Summary

Junior BI Developer with a B.Sc. in **Computer Engineering (GPA 3.85/4.0)** and hands-on training in SQL Server, Power BI, and ETL/data warehousing through ITI's **9-month** BI program. Built end-to-end Power BI dashboards on sales data, and brings 3 years of experience translating complex topics for 5,000+ learners.

Education

- **Data Analysis Program at ALX** 2026
- **9-Month Professional Development and Business Intelligence infused CRM** 2025-2026
Information Technology Institute (ITI) Ministry of Communications and Information Technology
- Graduation project: **MediTender Smart Assistant**
- **Bachelor in Computer Engineering** 2020-2025
Alexandria Higher Institute of Engineering & Technology with **GPA 3.85/4.0**
- Graduation project: **Pipeline Inspection Robot**

Projects

- **Global Vehicle Sales Power BI Dashboard** [Project Link](#)
 - Built an interactive dashboard analyzing 2003–2005 vehicle sales (\$10.03M revenue, 99K units, 307 orders, 92 customers) with slicers for product line, year, and deal size
 - Created DAX measures for KPIs and year-over-year comparison
 - Identified Cars as the top product line, with the USA, Spain, and France as the leading markets
 - Segmented deals by size (small / medium / large)
- **Retail Sales Power BI Dashboard** [Project Link](#)
 - Cleaned and combined rows from 2 datasets (orders, product-supplier) using Power Query, and built a model for 2017–2021 sales analysis
 - Designed a dashboard tracking 309K units ordered, revenue trends, and quarterly cost, with slicers for category, product group, and customer status
 - Segmented revenue by customer tier (Platinum / Gold / Silver) and ranked suppliers by revenue, with a map of supplier countries

Technical Skills

- Data Analysis & BI: Power BI (DAX, Power Query, Data Modeling), Advanced Excel, KPI Analysis
- Databases & ETL: SQL Server, SSIS, SSAS
- Programming: Python (Pandas, NumPy, Matplotlib), SQL
- Cloud & Tools: Azure Fundamentals, Git, GitHub
- Business Applications: Dynamics 365 CRM

Soft skills

- Statistical Thinking, Presentation skills, Time management, Project management

Work Experience

- **Coding Instructor at iSchool - Remotely** **2023-2025**
 - Instructed and tracked the technical progress of **5,000+ students**, analyzing performance metrics to adapt and optimize teaching strategies.
 - Awarded "**Golden Instructor**" status based on high student success rates & positive evaluation data.
- **Robotics Instructor at Mega Minds Academy – Onsite** **2022-2023**
 - Delivered foundational engineering & programming concepts, algorithmic thinking and logic.
 - Recognized as "**Best Teacher**" for Coach at Robot Challenge National Championship Competition.

Certifications & Training

- Innovation & Entrepreneurship Training Program at **InnovEgypt (TIEC)** **2026**
- **EF SET English Certificate - B2 Upper Intermediate** **2026**
- Agile **Project** Management from **Udemy.** **2026**
- Soft Skills & Leadership Program at **McKinsey.org Forward** **2026**

Extracurricular Activities & Leadership

- Problem-solving at ACM International Collegiate Programming Contest (**ICPC**) **2021-2023**
- Judge at **ORCE Competition** **2023**
- Coach at Robot Challenge National Championship Competition (**RC**) **2022**
- Activity member at Institute of Electrical and Electronics Engineers (**IEEE**). **2020-2021**
- Member of **Student Union at AIET.** **2020-2021**

Languages

- Arabic (Native)
- English (B2 Upper Intermediate)
